STAHLSAC®
2021 BUYER'S GUIDE
GO ANYWHERE

THE STAHLSAC GUARANTEE

Stahlsac products carry a limited lifetime warranty* against defects in material and workmanship. In the unlikely event that a problem arises as a result of a defect in our materials or workmanship, we will promptly repair or replace the item.

As with any product, it should be expected that luggage and mesh gear bags will show wear with use over time, even when used properly, and will eventually deteriorate after prolonged usage in the sun, salt and water. These items will eventually need to be put to rest and replaced. For any damage due to improper usage, negligence, or post purchase alteration, we will be happy to provide prompt, high quality repair service at a nominal cost. We apply the same standard of excellence to our customer service as we do to our products.

Luggage sent in for repair must be clean; please rinse off and completely dry the article before returning it. All repairs and warranties are handled through the local Stahlsac retailer.

** With the exception of the Storm 12L, 30L and 60L Dry Sac which carry a 2-year warranty.*

Stahlsac is a company built on

QUALITY, DURABILITY & TOUGHNESS,

and we are divers, surfers, kayakers, and explorers. We are adventurers.

This business was founded by one man determined to build a better watersports bag. Today that mission is carried on by many, with the same commitment to excellence and love of the water. True adventure doesn't just present itself; we have to seek it out. And there's no telling where we might find it. So when we design a watersport bag, we make sure it's tough enough to get you wherever you want to go. And when you want to push the boundaries of adventure, only a Stahlsac bag lets you truly ...

GO ANYWHERE.

STEEL LINE

TOUGHNESS TO GET YOU THERE

FEATURING THE EXCLUSIVE **WETDRY** *SYSTEM*

Stahlsac's Steel Line of premium bags protects gear from the elements with functional compartments that keep dry items dry and wet gear safely sealed away. The Steel Line appeals to a wide range of adventurers who participate in gear-intensive and water-related activities. Every detail is engineered for a purpose and key features are carefully refined to maximize the usefulness of the entire bag. The innovative designs and modern styling provide organizational solutions for any time outdoors and near the water.

STEEL 34

GET MORE FROM YOUR BAG

SCUBALAB TESTERS CHOICE 2019

Steel 34 features our exclusive Wet/Dry compartment with waterproof bottom and a breathable top to dry out damp gear, all in a travel-friendly design. Its large height and generous internal space provides the room to protect everything, before and after you hit the water.

FEATURES:

- Waterproof compartment
- Breathable wet compartment
- Quick-access zippers
- Multi-purpose changing pad
- "Add-a-bag" strap to attach a backpack or carry-on
- Low profile frame allows for easy storage
- Bright interior to help locate small items
- Abrasion-resistant materials for minimizing stress and failure points
- Sturdy grab handles

PART NUMBER: *888910BLK*

Dimensions: 34" (86cm) H x 17" (43.18cm) W x 12" (30.48cm) Depth
Capacity: 148L (9,030 cubic inches)
Colors: Black
Weight: 12.6lbs. (5.7kg.)

STEEL 27

START THE ADVENTURE

This mid-sized bag has all the features of the Steel 34, but in a more compact frame. Your gear remains safe and secure in our Wet/Dry compartment, so you can worry less about getting there, and look forward to getting out there.

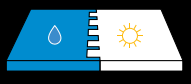
FEATURES:

- Waterproof compartment
- Breathable wet compartment
- Quick-access zippers
- Multi-purpose changing pad
- "Add-a-bag" strap to attach a backpack or carry-on
- Low profile frame allows for easy storage
- Bright interior to help locate small items
- Abrasion-resistant materials for minimizing stress and failure points
- Sturdy grab handles

PART NUMBER: *888911BLK*

Dimensions: 27" (68.6cm) H x 16" (40.6cm) W x 11.5" (29.2cm) Depth
Capacity: 82L (5,020 cubic inches)
Colors: Black
Weight: 10 lbs. (4.5kg)

WETDRY SYSTEM



All of the bags of the Steel line feature a version of the wet/dry system to keep wet and dry items separate.

BREATHABLE DRY COMPARTMENT

SEALED WATER-RESISTANT COMPARTMENT

STEEL 22 CARRY-ON

SKIP THE LINE

This low-profile frame features the same rugged construction as the 27 and 34, and still holds everything you need to breeze through the airport. Its perfect for short trips or as a carry-on complement to a checked bag, letting you keep valuables close by.

FEATURES:

- Waterproof compartment
- Quick-access zippers
- "Add-a-bag" strap to attach a backpack
- Low profile frame allows for easy storage
- Bright interior to help locate small items
- Abrasion-resistant materials for minimizing stress and failure points
- Sturdy grab handles

PART NUMBER: *888912BLK*

Dimensions: 22" (56cm) H x 14" (35.5cm) W x 9" (23cm) Depth
Capacity: 40L (2,450 cubic inches)
Colors: Black
Weight: 8.15 lbs. (3.7kg)

STEEL BACKPACK

PACK LIGHT. WITH CONFIDENCE.

This lightweight and versatile backpack is designed with practical and dynamic features, like a lay-flat laptop compartment, a generous main compartment with slash pockets, mesh pockets and padded pockets, and a detachable dry bag for adjustments on the fly. Padded shoulder straps and sturdy grab-handles keep you comfortably charging ahead.

FEATURES:

- Padded laptop compartment
- Includes detachable "Bonaire-style" dry bag
- Multiple organizational pockets/features with quick-access zippers
- Padded shoulder straps
- Sturdy grab-handles
- Opens flat for easy access to laptop compartment

PART NUMBER: *888913BLK*

Dimensions: 19" (48cm) H x 13" (33cm) W x 8.75" (22cm) Depth
Capacity: 27L (1,650 cubic inches)
Colors: Black
Weight: 2.4 lbs. (1kg.)

STEEL DUFFEL

THE PERFECT TRAVEL PARTNER

This carry-on size duffel bag proves its worth as the ultimate travel bag by easily switching from backpack to shoulder bag for convenience. Abrasion-resistant reinforcements on the bottom and corners, and Steel's exclusive separate Wet/Dry storage system, protects your gear no matter where you travel. Tough, durable, and versatile, this bag performs anytime, anywhere.

FEATURES:

- Reinforced bottom for extra abrasion resistance
- Bright interior to help locate small items
- Backpack straps
- Sealed wet/dry compartment

PART NUMBER: *888914BLK*

Dimensions: 11.5" (29.2cm) H x 24" (61cm) W x 11" (28cm) Depth
Capacity: 36L (2,200 cubic inches)
Colors: Black
Weight: 2.45 lbs. (1kg.)

TRAVEL BAGS

GET THE BAG THAT CAN GET YOU HERE

Adventure travelers know that transporting gear is half the challenge. Our specially reinforced travel bags are designed with precisely-sized compartments, compression straps to keep things secure and heavy-duty wheels and stabilizers to keep the bag upright. If carrying on, we have a range of duffels to backpacks with thoughtfully placed pockets and other logical solutions to keep gear organized. Our wheeled luggage and carry-on products ensure your customers can go anywhere, with confidence.

CAICOS CARGO PACK

ALL THE STORAGE YOU'LL EVER NEED

The 5th generation of our ever-popular dive bags, multiple storage components and a unique wheeled frame system.

FEATURES:

- Unique wheeled frame system
- Multiple pockets provide endless combinations for organized gear storage
- External pockets are handy for items needed quickly
- Internal compression straps secure dive gear while in transit
- All internal frame components are fully serviceable and our full length side pockets provide capacity for all types of gear, including XL fins
- The high profile frame keeps abrasion away from stress points
- Unique construction allows this full-sized bag to weigh only 9.3 lbs. (4.2 kg.)

PART NUMBER: *888901*

Dimensions: 32"(74cm) H x 16" (35.5cm) W x 11" (48cm) Depth
Capacity: 8099 cubic inches/133 L
Colors: Black/Grey, Black/Blue, Black/Red
Weight: 9.2 lbs. (4.2kg.)

CURACAO CLIPPER

A FULL-SIZED DIVE BAG THAT DOES WHAT YOU NEED IT TO

Lightweight and durable, its bottom compartment accommodates a complete dive set-up, and top compartment stores personal clothing, gear, and additional accessories.

FEATURES:

- Bottom compartment is fully capable of accommodating a complete dive set-up
- Top compartment will hold personal clothing, additional gear, and accessories
- Internal pockets for further gear organization
- Easily transported on our unique and dynamic frame, which is light yet very durable
- All frame components are fully serviceable so in the off chance that damage does occur, it is quickly repairable
- Compression straps secure goods in transit
- Comfort handle on both top and bottom of the bag allow for effortless removal from auto trunks and other storage places

PART NUMBER: *888903*

Dimensions: 29" (81cm) H x 14" (40cm) x 17" (28cm) Depth
Capacity: 5864 cubic inches / 96L
Colors: Black/Grey, Black/Blue, Black/Yellow
Weight: 9.6 lbs. (4kg.)

SMUGGLER

SPACIOUS WHEEL & DUFFEL BAG FOR ALL YOUR TRAVEL GEAR

With plenty of room, Smuggler is sized to accommodate one set of dive gear and XL fins, up to 50 lbs., and has an additional handy storage pocket for smaller items. Take the worry out of your airline weight requirements with the Smuggler.

FEATURES:

- Sized to accommodate one set of dive gear, accessories and personal items
- Roomy and spacious, yet overall dimensions should keep the packed travel weight under 50 lbs. (22.6 kg.)
- Main compartment will accommodate XL fins
- Additional storage pocket handy for smaller items
- A molded bottom, heavy-duty wheels and unique stabilizers that support the bag when it is upright

PART NUMBER: *888904*

Dimensions: 27" (68.6cm) H x 15" (38cm) W x 16" (41cm) Depth
Capacity: 6480 cubic inches / 106L
Colors: Black/Grey, Black/Blue, Black/Pink
Weight: 9.7 lbs. (4.4kg.)

MOLOKINI REGULATOR BAG

A MULTI-FUNCTION CARRY-ON BAG FOR REGULATORS & COMPUTERS

FEATURES:

- Roomy main compartment accommodates a regulator set-up
- 60" (40 cm) screen laptop sleeve
- Neoprene dive computer/console holder
- External pocket for travel necessities

SLEEVE ALLOWS THE BAG TO SLIDE OVER ANY OF OUR WHEELED BAGS' HANDLE SYSTEMS, ALLOWING FOR SECURE TRAVEL THROUGH BUSY AIRPORTS.

PART NUMBER: *888972*

Dimensions: 16" (41cm) H x 12" (30.48cm) W x 4" (10cm) Depth
Capacity: 690 cubic inches / 11L
Colors: Black, Black/Aqua, Black/Blue, Black/Red
Weight: 1.75 lbs. (0.8kg.)

MESH BAGS

Our tough, snag-resistant mesh is not only lightweight, but stands up to anything and everything you put it through. When compared to rubber mesh bag that can dry out and crack or tear easily, our snag-resistant mesh has a natural built-in tear resistance and will never dry out.

HOLDS EVERYTHING EXCEPT WATER

Whether your customers want to go hands-free or simply need a bag to transport wet gear from one place to another, we have a variety of mesh backpacks and duffels for any amount of gear. Tough, snag resistant mesh that won't dry out, crack or tear easily like rubber mesh and 420 Denier Nylon packcloth with reinforced bottom, these bags have thoughtfully placed wet and dry pockets and other logical solutions to keep gear organized. With many different colors and sizes to choose from, we have the toughest, most dependable mesh bag in the industry. They hold everything... but water.

BONAIRE MESH BACKPACK

PROVIDES 15% MORE ROOM THAN THE PANAMA

With a main compartment that's roomy enough for a complete set of cold-water dive gear.

FEATURES:

- Main compartment fits a complete set of coldwater dive gear
- Front pocket for smaller items
- Patented dry compartment built in
- Convenient grab handle
- Tough, snag resistant mesh that won't dry out, crack or tear
